GREAT NEWS! The venue for the NCA EXPERT MASTERCLASS will be Santiago de Compostela. By popular demand there are actually two options in Spain. San Sebastián is the other! Santiago's deep, mysterious energy has called us back here for the second year in a row!

The EXPERT MASTERCLASS INTENSIVE offers a focused, in-depth exploration of Expert-Level Svetoidal diagnosis and treatment, designed to build true clinical mastery. Any new insights Dr. Burris has found since the 2025 Online Expert Course will be shared. Because of the complexity of the EXPERT level material, the Online Expert Level Course and Live Expert Masterclass form an indispensable pair.

IMPORTANT! PREREQUISITE FOR THE EXPERT LEVEL INTENSIVE MASTERCLASS: Completion of the NCA Expert Online Course

SANTIAGO DE COMPOSTELA, the mystical endpoint of the Camino de Santiago, blends history, spirituality, and culture. Wander narrow cobblestone streets, while taking in stunning Baroque architecture, and lively squares filled with cafés. Discover Galician cuisine- like fresh seafood and hearty stews in local taverns washed down with one of Galicia's famous Albariño wines. The majestic Santiago Cathedral dominates the skyline.

Being a pilgrimage center, there are also a number of other affordable options throughout the city. We would recommend booking your accommodation as soon as possible to ensure the best price.

Getting there: Low cost airlines Vueling and RyanAir both operate regular flights to Santiago at very affordable rates (be careful of the cost of check-in baggage). NCA EXPERT MASTERCLASS OVERVIEW

One goal of this 2-Day Masterclass Intensive is to support each participant in the mastery of diagnostic and treatment presented in the NCA EXPERT Level Course to obtain maximum clinical results. This will be achieved via three main methods:

- 1) Venue will serve as a 'clinical theater' where participants can observe treatments close-up, while having the opportunity to clear up any doubts via Q&A.
- 2) Participants will treat outside (non-participant) patients under the supervision of Dr. Burris, receiving feedback on those treatments.
- 3) Participants will receive treatment so that they can experience first hand the techniques to be mastered.

Below is a general outline of the Masterclass. Timing and material may vary slightly according to cases presented

NCA EXPERT LEVEL MASTER- CLASS OUTLINE

Friday, June 5 9:00am-6:00pm

9:00am- 11:00pm

The first part of the day will be dedicated to treatment of participants by Dr. Burris. As patient, each participant will have the opportunity to experience firsthand the palpatory pressure that Dr. Burris uses as well as experience for themselves treatment effects. At the same time treatments serve as demonstrations where participants can observe at close

range a variety of techniques (treatment/diagnostic/needling) used by Dr. Burris to achieve maximum effect. Participants are free to ask for clarification any aspects of these treatments they may deem helpful. Participants may be asked also to assist in both diagnosis and treatment. These treatments will serve to reinforce material from the EXPERT LEVEL Course as well as provide an avenue to new material as each case may require.
